5.1 CH SOUND BAR

Important Safety Instructions

WARNING: To reduce the risk of electric shock, do not dismantle the product and do not expose the product to rain or moisture. No user-serviceable parts inside. Refer servicing to qualified personnel only.

1. Read the user manual before use. Keep all instructions for future reference
2. Always operate the product from a power source of the same voltage, frequency and rating as indicated on the rating label.
3. This product is intended for indoor household use only.
4. To protect against electric shock: do not immerse unit, plug or cord in water or spray with liquids; do not place unit on windowsills or other places where it may be exposed to dripping or splashing of water; do not place vases or similar objects filled with liquids near the unit.
5. Do not use this product in the immediate vicinity of water such as bathtubs, washbaths, swimming pools etc. where the likelihood of immersion or splashing occur.
6. Keep the unit away from heat sources like radiators, heat registers, stoves or other products that produce heat. No open flame sources like candles should be placed on the unit.
7. Use only with attachments/accessories specified by the manufacturer. Use of attachments/accessories not recommended can be hazardous.
8. This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
9. This product is not a toy! Children should be supervised to ensure that they do not play with the appliance.
10. Do not cover the unit during use. Do not impede ventilation by covering ventilation openings with cloths, curtains or similar items.
11. Do not operate the product with a damaged cord or plug or if the product malfunctions, or is dropped or damaged in any manner.
12. If the supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid hazard.
13. For safety reasons, do not remove any covers or attempt to access the inside of the product.
14. Do not clean the unit with any harsh chemicals as this might damage the finish. Wipe clean with a dry cloth.
15. When removing the power plug from the wall outlet, always pull directly on the plug, never pull on the cord.
16. Do not expose the batteries to excessive heat, direct sunlight, fire or similar.
17. Do not throw used batteries in your household rubbish. Dispose of it responsibly according to local regulations.
